Health and Safety Policy

1. Introduction

Celamin Holdings Limited (Celamin or the Company) is committed to achieving the highest standard of safety and health in all the activities in which we are engaged.

2. Purpose

This policy reinforces the position and importance of achieving the highest standard of safety and health and provides staff with clear guidelines as to the Company's expectations of their behaviour.

3. Scope

This policy applies to all directors, employees (full time, part time, casual), contractors and consultants (staff) of the Company and its subsidiaries.

4. Policy

We aim to operate without any safety or health incident's, by ensuring all duties are performed correctly from the outset. This will only be achieved if all people in our company behave in accordance with our safety and health standards, and ensure that all incidents are reported, investigated and, when necessary, corrective actions are implemented. We will:

- (i) Provide safety and health leadership, at all times setting the example to others
- (ii) Provide a safe and healthy working environment for all employees, contractors and visitors.
- (iii) Identify and assess and then either eliminate or control all hazards to safety and health as the leading item in a total risk management process.
- (iv) Conduct our operations in compliance with all relevant legislation, regulations, standards, licenses and codes.
- (v) Seek continuous improvement in all aspects of work processes and procedures and set objectives and targets to measure our improvement.
